

ITG / COMPANY PROFILE

**Reliable Textile yarns.
More stable production.**

International Trading Group

Industrial Textile yarn sourcing and supply

Since 1995

Your Specialist Partner in Industrial Textile Yarn Supply

Direct Access to Global Textile Yarn Manufacturers

Since 1995, ITG has supplied industrial textile yarns through direct relationships with trusted factories and manufacturing partners across China, India, Uzbekistan, Indonesia and Italy.

We help textile manufacturers select the right yarn specifications for their applications and coordinate reliable supply to support production planning, operational efficiency and long-term partnerships.

Sourcing built around production needs

Technical requirements guide every Sourcing decision

Direct Sourcing from Yarn Manufacturers

Direct access to trusted manufacturing partners, with close coordination on product enquiries and supply requirements

Specification consistency

Consistent follow-up on agreed technical specifications and clear communication of customer requirements.

Technical support

Technical support with yarn selection, composition, yarn counts and processing requirements for each textile application.

Supply coordination

Supply follow-up and planning support to help customers manage availability and delivery requirements.

Global manufacturing partners

PARTNERSHIPS SUPPORTING A BROAD INDUSTRIAL YARN PORTFOLIO
